BE PRO ARTS

Dear Art Enthusiasts,

Welcome to East Bay Open Studios and the *Directory of East Bay Arts*! This is the opportunity to explore creativity and culture in your community by visiting artists' studios. Over 400 artists, so many studios, so many places!

We're sharing the news - ArtPlace named Downtown Oakland one of the top twelve arts places in the nation. In addition to the number of artists and creative industry workers, the announcement highlighted the density of nonprofit arts organizations, arts related businesses, and independent businesses as key indicators pointing to our vibrant community. This big picture look at cities and neighborhoods is still a work in progress. We know the value artists contribute to their communities, and that nonprofit arts organizations offer support for artists and expand opportunities for arts engagement. Pro Arts is proud to serve as an arts anchor in the region for nearly forty years - Other places are still catching up.

The Oakland/East Bay Area is a destination for art! And visiting open studios is an opportunity to explore the phenomenal spectrum of artists and art practices in the region, and the unique places artists work. Get to know your neighborhood a little better through its artists - then set off on your own exploration.

East Bay Open Studios - the first two weekends in June, Saturdays and Sundays, June 1-2 and 8-9 - brings the possibilities of living to light. Art inspires, delights, and reveals our lives. Step into Open Studios. Step into art.

be pro arts.

AC TRANSIT SEEKING ARTISTS FOR BRT PROJECT

AC Transit is building the next generation of transit service from downtown Oakland to downtown San Leandro, primarily along International Blvd. Bus Rapid Transit (BRT) is a high quality, high capacity service that improves upon traditional bus systems with dedicated travel lanes, comfortable stations, and multiple-door boarding.

As part of the final design of the system, AC Transit is seeking artists to enhance the stations. A Request for Proposals for a lead artist, and a Request for Qualifications for a pre-qualified pool of artists and artisans, will be issued in the summer.

PLEASE VISIT www.ACTransit.org for more information and updates posted this summer.
