

GOAL - to transform the dilapidated plaza to a dignified gateway to the city, and create an inviting lobby for downtown.

APPROACH - connect the plaza to the downtown urban fabric by shaping street vistas laterally and providing views to surrounding buildings vertically.

OVERALL DESIGN

harmony, not competing with architecture of surrounding buildings; modern and clean, not flashy.

PLAZA DESIGN

Airy and inviting, not stuffy;
let nature and cultural and
commercial activities to
livening the plaza

STRUCTURE DESIGN

calming, not imposing;
unified design
complementing the plaza
to achieve timelessness

dignified gateway to the city ...

remove barriers and enjoy openness

enhanced intermodal amenities

Improved retail visibility and better bus riding experience

celebrate nature – let light dance and let wind sing

... delight in moments of dawn and dusk

welcoming after dark

“Come for the Culture, Stay for the Food”

... an inviting lobby for downtown

a sustainable and memorable place
