CONSENT CALENDAR  
June 2, 2020

To: Honorable Mayor and Members of the City Council  
 From: Dee Williams-Ridley, City Manager  
 Submitted by: Henry Oyekanmi, Director, Finance Department  
 Subject: Ballot Measure Increasing the City’s Appropriation Limit to Allow Expenditure of Tax Proceeds for Fiscal Years 2021 through 2024

RECOMMENDATION

1. Adopt a Resolution placing the attached measure to increase the City’s appropriation limit on the ballot at the November 3, 2020 General Municipal Election.
2. Designate, by motion, specific members of the Council to file ballot measure arguments on this measure as provided for in Elections Code Section 9282.

FISCAL IMPACTS OF RECOMMENDATION

The City will be authorized to appropriate and expend proceeds of taxes and income from investments of those taxes for four additional years, from FY 2021 through FY 2024. This measure would not increase taxes or impose a new tax. It would authorize the City to continue to spend the proceeds of already-approved taxes for FY 2021 through 2024.

The table below shows the year-by-year costs for elections since 2012. Significant cost increases occurred in 2012 and 2014 due primarily to general year-over-year increases, and the addition of two more required languages (Vietnamese and Tagalog). The cost increase in 2016 is due to a new, permanent surcharge from the Registrar of Voters to fund the County’s voting equipment replacement account.

<b>RCV Costs</b>	\$101,041	\$189,148	\$181,954	-	\$185,578
<b>Total Costs</b>	<b>\$468,925</b>	<b>\$581,479</b>	<b>\$888,855</b>	<b>\$85,628</b>	<b>\$570,824</b>

### CURRENT SITUATION AND ITS EFFECTS

The City has adopted various taxes over the years, including special taxes to fund park maintenance, City library services, emergency medical services (EMS), emergency services for severely physically disabled persons, fire protection and emergency response and preparedness, and most recently, street lighting and storm drainage infrastructure. It has also adopted various general taxes, such as the business license tax, the utility users tax, the sugar sweetened beverage products tax, parking and transient occupancy taxes, and the real property transfer tax.

In November 2016, voters approved the existing authorization to spend the proceeds of these taxes, expiring on June 30, 2020. Voter authorization to raise the spending limit must be renewed every four years. Accordingly, pursuant to Article XIII B of the California Constitution, in November 2020, the voters need to authorize the City to spend the proceeds of these taxes from fiscal year 2021 through fiscal year 2024.

Additionally, according to California Elections Code 9282 (b), measures placed on the ballot by the legislative body, or a member or members of the legislative body authorized by that body, or an individual voter who is eligible to vote on the measure, or bona fide association of citizens, or a combination of voters and associations, may file a written argument for or against any city measure.

### BACKGROUND

Article XIII B of the California Constitution, the "Gann Appropriations Limit", limits the total annual appropriations of each local government to the prior year's appropriation, adjusted for changes in population and the cost of living. Section 4 of Article XIII B authorizes voters to increase this appropriations limit for a maximum period of four years at a time. Unless the voters do so, half of any amount collected in excess of the appropriation limit must be refunded to the taxpayers within the next two years.

### ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects or opportunities associated with the subject of this report.

### RATIONALE FOR RECOMMENDATION

If voters do not authorize the City to spend the proceeds of these taxes, then the amounts that may be spent on maintaining acceptable levels of park maintenance, library services, emergency medical services, emergency services for severely physically disabled persons and fire protection and emergency response and preparedness, as well as general governmental services and infrastructure would be reduced.

### ALTERNATIVE ACTIONS CONSIDERED

Not authorizing the expenditure of the funds would be fiscally imprudent.
