RESOLUTION NO. 24-011

BEFORE THE BOARD OF EDUCATION OF THE BERKELEY UNIFIED SCHOOL DISTRICT

RESOLUTION OF THE BOARD OF EDUCATION OF THE BERKELEY UNIFIED SCHOOL DISTRICT OF THE COUNTY OF ALAMEDA, STATE OF CALIFORNIA, CALLING AN ELECTION FOR APPROVAL OF AN EDUCATION PARCEL TAX, ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER, AND REQUESTING CONSOLIDATION WITH OTHER ELECTIONS OCCURRING ON MARCH 5, 2024

RESOLVED by the Board of Education ("Board") of the Berkeley Unified School District ("District"), a school district of the County of Alameda ("County"), State of California ("State"), that:

WHEREAS, the California State Legislature fails to provide adequate funding for schools, and as a result of this lack of financial support, the most recent rankings place California in 33rd place among states for per-pupil funding; and

WHEREAS, the District is committed to offering a high-quality educational program to all students in the District, and due to inadequate State funding, increased local revenues are necessary to meet this goal; and

WHEREAS, Berkeley voters have consistently supported necessary education parcel taxes and bonds as an investment in the future of children, as a reflection of the values of the Berkeley community, and as a significant reason that individuals, families, and organizations are attracted to live and work in Berkeley; and

WHEREAS, on November 8, 2016 the voters of the District approved Measure E1 and authorized a parcel tax in support of Berkeley Public Schools, and that measure expires on June 30, 2025; and

WHEREAS, the local revenues from Measure E1 provide approximately $37 million per year to help the District provide High-Quality Instruction, Essentials for Excellence and Effective Student Support; and

WHEREAS, without a renewed and extended authorization by the voters of local parcel tax funding, the District will lose nearly 20% of its budget, with severe and negative effects on students, including layoffs of at least one-third of the teachers, increased class sizes, elimination or drastic reduction of school libraries and music programs and many essential programs and services for our students; and

WHEREAS, every dollar raised by this special tax will be used for benefit of the students of Berkeley schools, and cannot be taken away by the State; and

WHEREAS, California Constitution, Article XIIIA, section 4 and Government Code sections 50075 et seq. authorizes the District, upon approval of two-thirds of the electorate, to levy qualified special taxes on property in the District for the purpose of providing quality educational programs in the District and other lawful purposes of the District; and

WHEREAS, in the judgment of this Board, following a public hearing and comment,
it is advisable to request that the Alameda County Superintendent of Schools call an election and submit to the voters of the District the question of whether the District shall levy a qualified special tax within the District, for the purpose of raising revenue for the District; and

WHEREAS, pursuant to the Education Code and Elections Code such election may be completely or partially consolidated with any other election held on the same day and in the same territory or territory that is in part the same.

NOW, THEREFORE, IT IS DETERMINED AND ORDERED as follows:

Section 1. Recitals. This Board hereby finds and determines that the foregoing recitals are true and correct.

Unpaid special taxes shall bear interest at the same rate as the rate for unpaid ad valorem property taxes until paid.

To continue high-quality public education, provide support for struggling students, attract and retain quality teachers, keep school libraries open, support music/arts programs, and other designated purposes, shall Berkeley Unified School District renew its expiring special tax at $0.54 per building square foot or $25 per unimproved parcel, with annual adjustments, low-income exemptions, independent citizen/auditor oversight, generating approximately $44,000,000 annually in local funds for Berkeley public schools for 8 years that cannot be taken by the State?

1. Title and Purpose

This measure shall be known as the “Berkeley Public Schools Educational Excellence Act of 2024” ("Measure"). The revenues raised by the Measure are to be used to improve the educational achievement of Berkeley Unified School District’s ("District") public school students by providing high quality educational programs.

2. Allocation of Funds

Available Revenues raised by the levy of the qualified special tax authorized by the Measure are to be allocated to the following purposes and shall be deposited in restricted accounts for these purposes:

**High Quality Instruction:** Small Class Sizes; Professional Development; Classroom Support; Program Evaluation; Expanded Course Offerings .................................66%

**Essentials for Excellence:** School Libraries; Music, Visual and Performing Arts; School Site Programs; Instructional Technology ......................................................... 27%

**Effective Student Support:** Counseling and Behavioral Health; Family Engagement and Access; Student Achievement Strategies ..................................................... 7%

3. Definition of Purposes

A. **High Quality Instruction:** Small Class Sizes; Professional Development; Classroom Support; Program Evaluation; Expanded Course Offerings

Sixty-six percent (66%) of the Available Revenues shall be dedicated annually to reducing class sizes at all District-operated K-12 schools, and may also be
allocated to provide funding for professional development, classroom support, program evaluation, and expanded course offerings.

i. It is the intent of this Measure to reduce Average Class Sizes in K-5 to a goal of 23:1 as a school-wide average. The District operated elementary school Average Class Sizes shall achieve the goal of school-wide averages of 23:1.

ii. The goal for reduction of K-5 Average Class Sizes detailed in Section 3.A.i. is contingent on the continuation of State funding to the District for smaller class sizes. At the time of writing of this Measure, the State provides increased funding to school districts that achieve a school-wide Average Class Size of 24:1 in K-3 classrooms, but does not provide additional funding to reduce class sizes in grades 4-5. If the State continues to provide the same or a greater amount of funding to the District to reduce class sizes in K-3 classrooms, it is the intent of this Measure that the Average Class Sizes be reduced as described in Section 3.A.i.. If State class size reduction funds provided to the District are reduced from their current levels or eliminated, the goals for Average Class Sizes in K-5 may increase above 23:1, up to a district-wide average of 26:1.

iii. The goals for Average Class Sizes to be achieved with these revenues shall be 28:1 for the secondary schools, and 18:1 for continuation school programs.

iv. After the District meets the Average Class Size goals as described in Section 3.A.i., funding may be allocated to provide additional support for teaching and learning, such as professional development, classroom support, program evaluation, and expanded course offerings. Any allocations within these options shall be recommended by District staff to the Planning and Oversight Committee (as described in Section 8.B) and approved by the District’s Board of Education (“Board”).

v. The reduced Average Class Sizes shall be maintained throughout the duration of the Measure except in the case of a “Severe Fiscal Emergency” as defined in Section 9 of this Measure.

vi. The revenues dedicated to these purposes may be spent for all costs attendant to them, including operational costs, and other costs associated with the opening or maintaining of classrooms to reduce class sizes.

B. Essentials for Excellence: School Libraries; Music, Visual and Performing Arts; School Site Programs; Instructional Technology

Twenty-seven percent (27%) of the Available Revenues shall be dedicated annually to providing programs designed to improve the academic proficiency and educational experience of all students by providing equitable access to an enriched, challenging and engaging curriculum. Available Revenues may support all costs attendant to providing these services at district-operated schools, including operational costs. These revenues shall be allocated to district-wide programs as follows:

i. School Libraries: Seven and a quarter percent (7.25%) of the Available Revenues shall be allocated annually to provide student access to quality

Exhibit B-2
school libraries, which shall be maintained by providing library staff to operate
the District’s K-12 school and other specialized libraries, and by allocating
revenues for books, materials, services and equipment for the school libraries.

ii. Music and Visual and Performing Arts Programs: Six and a quarter percent
(6.25%) of the Available Revenues shall be allocated annually to providing
quality instructional programs in music and the visual and performing arts for
elementary and middle school students. Available Revenues may be used for,
but are not restricted to, providing qualified teachers and staff, and
professional development in the arts for elementary and secondary students.
Musical instruments, instructional materials, equipment and necessary
services may be provided for any K-12 school, as long as funds permit.

iii. School Site Programs: Ten and a quarter percent (10.25%) of the Available
Revenues shall be allocated annually for School Site Programs to each K-12
school on a per pupil basis. District preschools shall receive a similar
allocation for each full-time student. The School Site Council (as described in
Section 8.C.) shall develop recommendations to allocate these revenues for
the personnel, services and materials required to deliver effective and
equitable opportunities for student engagement, enrichment, and
achievement. Available Revenues may be used for, but are not restricted to,
the personnel, materials and services required to deliver such programs as art
and science instruction, academic tutoring and counseling, athletics and
student activities, and before and after school programs.

iv. Instructional Technology: Three and a quarter percent (3.25%) of the
Available Revenues shall be allocated to providing instructional technology in
schools, and access for students to computers and instructional technology.

C. Effective Student Support: Counseling and Behavioral Health; Family Engagement
and Access; Student Achievement Strategies

Seven percent (7%) of the Available Revenues generated by this Measure
shall be dedicated annually to providing programs designed to provide effective
supports that help students reach their highest academic potential while addressing
the needs of the whole child. These revenues may be allocated to programs in any
district-operated school for such purposes as Counseling and Behavioral Health,
Family Engagement and Access, or Student Achievement Strategies to improve
academic, behavioral and social-emotional outcomes for students. Any allocations
among these programs shall be recommended by district staff to the Planning and
Oversight Committee and approved by the Board. Available Revenues may support
all costs attendant to providing these services, including operational costs.

D. Flexibility of Funds

To maintain high quality programs with the revenues available for the
specified purposes, up to ten percent (10%) of the allocations for any one or more of
certain district-wide programs (School Libraries; Music and Visual and Performing
Arts Programs; Technology; and Effective Student Supports) may, upon review by
the Planning and Oversight Committee and approval by the Board, be redistributed
among any one or more of these purposes in any given year. To promote the
long-term sustainability of the programs funded by the Measure, the Board may

Exhibit B-3
allocate a portion of Available Revenues to be set aside as reserves, so long as the funds are planned for use within the term of the Measure and in a manner consistent with the allocations provided in the Measure.

4. Amount and Basis of Tax

This Measure shall authorize the District to levy a qualified special tax beginning July 1, 2025, and continuing for a period of eight (8) years ("Special Tax") on all Parcels of Taxable Real property in the District.

The Special Tax shall be levied at the rate of fifty-four cents ($0.54) per square foot on the Square Footage of all Improvements and $25 per parcel on all Unimproved Parcels. Current definitions of the terms "Buildings," "Improvements," "Parcels," and "Square Footage," pursuant to the Berkeley Municipal Code are provided and incorporated pursuant to Section 9 of this Measure.

To determine the rate of the Special Tax levied in the 2026-27 tax year (the second year of assessment of the Special Tax), and each year thereafter, at the direction of the Board, the rates applicable to Parcels may be increased from the rate levied in the prior tax year by a cost-of-living adjustment equal to the annual average percentage change in the Bay Area Consumer Price Index - All Urban Consumers, San Francisco-Oakland-Hayward area over the prior twelve months, as of December 1 of the prior fiscal year, as published by the U.S. Bureau of Labor Statistics. If, in any given year, that index is not available, then the rate will be adjusted based on the changes in the Consumer Price Index – All Urban Consumers (CPI-U). Any increase in Available Revenues due to the cost-of-living adjustments set forth in this Section shall be allocated proportionally among the Measure’s purposes in accordance with Section 2 of this Measure.

This Special Tax is estimated to raise $44 million in annual local funding for District schools based on the amount of the tax for the 2025-26 tax year. The amount of annual local funding raised by this Special Tax will vary from year-to-year due to a number of factors, including annual cost-of-living increases, and changes in the number of parcels subject to the levy. Any proceeds from this Special Tax not spent during those fiscal years may be spent on all authorized purposes until exhausted.

Adoption of this Measure shall not affect the continued levy of any qualified special tax previously authorized by District voters.

5. Exemptions

Pursuant to any procedures adopted by the District, an exemption from payment of the Special Tax may be granted on any single-family residential parcel or multi-family dwelling unit owned and occupied by an individual who qualifies under one or more of the following conditions:

A. Very Low-Income Senior Citizen Exemption

Persons who will attain 65 years of age prior to July 1 of the tax year, occupying said parcel as their principal residence and meeting the very low-income qualifications of Berkeley Municipal Code Section 7.56.035, which is incorporated by reference herein. In the event of expiration of Municipal Code Section 7.56.035 for
any reason, the same qualification criteria that exist at the time of adoption of this Measure shall continue to apply to this exemption.

B. Supplemental Security Income (“SSI”) Exemption

Persons receiving Supplemental Security Income for a disability, regardless of age, and occupying said parcel as their principal residence.

C. Social Security Disability Insurance (“SSDI”) Exemption

Persons receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250 percent of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services and occupying said parcel as their principal residence.

6. Claims / Exemption Procedures

With respect to all general property tax matters within their respective jurisdictions, the Alameda County Treasurer-Tax Assessor or the City of Berkeley shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of this Special Tax, a district administrative review panel or the City of Berkeley, as the designated agency, shall make all necessary final determinations, and that decision shall be final and binding. The procedures described herein, and any additional procedures established by the District shall be the exclusive claims procedure for claimants seeking an exemption, refund, reduction, or re-computation of this Special Tax. Whether any particular claim is to be resolved by the District, City of Berkeley, or County of Alameda shall be determined by the District.

7. Appropriations Limit

Pursuant to California Constitution Article XIIIb and applicable laws, the appropriations limit for the District will be adjusted periodically by the aggregate sum collected by levy of this Special Tax.

8. Accountability Protections

A. Specific Purposes

The proceeds of this Special Tax shall be applied only to the specific purposes identified in the Measure. The proceeds of this Special Tax shall be deposited into a fund, which shall be kept separate and apart from other funds of the District.

B. Planning and Oversight Committee

A district-wide Planning and Oversight Committee, composed of parents/guardians, staff members, students, residents, or community members representing all school sites and designated programs, shall be established to be advisory to the District, and, in accordance with bylaws adopted by the Board, shall: present recommendations to the Board about the annual expenditure plans for the revenues generated by this Measure; provide communication among school sites to enhance their effective use of the revenues provided by this Measure; and review district compliance with the terms of this Measure.

Exhibit B-5
C. School Site Councils

A School Site Council, composed of the school’s Principal, teachers, staff members, parents/guardians, residents, or community members, shall be established at each pre-K-12 school site or designated program in accordance with California law, policies, and by-laws adopted by the Board.

Each School Site Council shall develop a School Site Plan which shall be focused on improving student learning and shall direct the revenues from Section 3.B.iii. of the Measure to implement the Board-approved School Site Plan.

At Berkeley High School, a committee composed of students, teachers, staff members and parents/guardians, residents or community members may make recommendations for expenditures allocated from the Measure to the School Site Council.

The District shall regularly make available revenue and expenditure reports to the Principal and the School Site Councils to enable the preparations for each School Site Plan.

D. Oversight

The District shall make available to the Planning and Oversight Committee and the general public, updated revenue and expenditure reports of the proceeds of this Special Tax at least four times annually: before adoption of the District’s annual budget, concurrently with the two State-required interim reports, and with the annual report on the Measure ("Annual Report").

The Annual Report shall display the revenues generated by the Measure and the expenditures of the revenues as of the closing of the fiscal year, and shall include a report on the status of projects, including project metrics, funded by the revenues. This report shall be organized to display how the expenditures correspond to each of the purposes of the Measure.

The Annual Report shall be delivered to the Planning and Oversight Committee no later than February 15 following the closing of the fiscal year. The Planning and Oversight Committee shall review the Annual Report and report to the Board on the District’s compliance with the conditions of this Measure by March 15 following the closing of the fiscal year.

E. Independent Auditor’s Report and Audit Committee

Each year, an independent auditor retained by the District shall review district records to determine that funds generated by this Measure have been allocated and expended in compliance with the provisions of this Measure, including:

- that the funds raised by this Measure have been allocated to the respective purposes in the percentages specified in Section 2.
- that the funds raised by this Measure have been spent for purposes specified in Section 3, subdivisions A-D.
